

LONESTAR TOKEN WHITEPAPER

Lend. Earn. Give Back. Texas Grit. Real Utility

Overview

LoneStar Token (LST) is a simple, transparent Solana token born in Texas and built for community impact. LST enables peer-to-peer lending, staking rewards, and “give back” tipping to fellow holders, all on-chain with fast, low-cost transactions.

- **Blockchain:** Solana
- **Ticker:** LST
- **Total Supply:** 10,000,000,000 LST
- **Burn:** Scheduled burn of 500,000,000 LST in December 2025 to reduce circulating supply and reward long-term alignment
- **Distribution:** Community-first approach; transparent listings on Solana DEXs
- **Lend:** Provide liquidity and earn passive income while fueling the LoneStar economy.
- **Earn:** Stake your tokens and grow your wallet.
- **Give Back:** Randomly tip fellow holders, support local causes, or pay it forward with peer-to-peer generosity.
- **Focus:** Community and simplicity

Mission

Unite Texans (and friends of Texas) around a token that rewards participation, encourages generosity, and channels real utility—without complexity or high fees.

Utility

Lend: Provide liquidity that fuels the LoneStar economy and earn passive income.

Earn: Stake LST to grow your holdings through on-chain rewards.

Give Back: Tip fellow holders and support local causes with peer-to-peer generosity.

Why Solana

- High throughput and near-instant finality
- Fees measured in fractions of a cent
- Scales for community features without pricing people out

Roadmap to Mass Adoption

Phase 1 – Launch & Community: Token live on Solana, docs and education, wallet guides.

Phase 2 – Liquidity & Listings: Solana DEX listings (e.g., Jupiter) and marketing push.

Phase 3 – Deflationary Event: 500M LST token burn in December 2025.

Phase 4 – Adoption: Expand real-world utility and onboard communities across Texas and beyond.

Community & Governance

LST is community-driven. Holders help shape priorities through open discussions, public proposals, and transparent updates. The ethos is Texas grit: simple rules, clear communication, and follow-through.

Brand Statement

Born in Texas. Built for community. Real utility at low cost so anyone can participate, give back, and grow with LST.
